

YOUNG PARENTHOOD RESOURCE CENTRE

GRACE TAYLOR

WHO ARE WE?

UNITY HOUSE is passionate about providing empathetic support and resources for pregnant and parenting young adults, ensuring they feel empowered and supported on their journeys.

THE USERS

- 18 to 24 year olds.
- Aid in transitions to early adulthood.
- Address the lack of inclusion in family planning and wellness spaces, including underrepresented users such as young fathers, men, and 2SLGBTQIA+ individuals.

OUR PURPOSE

- Provide community and centralized, comprehensive support.
- Personalized guidance and inclusive spaces for diverse communities.
- Address challenges, such as poverty and social isolation, with a focus on mitigating long-term effects on children and families.

SPATIAL EXPERIENCES

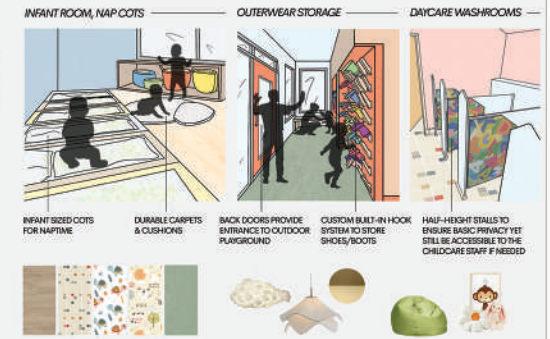

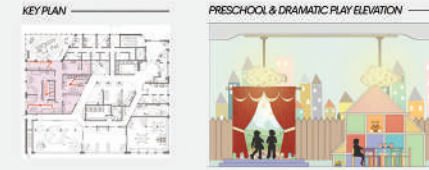

WELCOME & TOUCHDOWN

Welcome and arrival spaces ensures a friendly and inclusive entry point, with the goal of eliminating any sense of intimidation for the users. Touchdown spaces offer users opportunities to rest and recharge throughout their visit, promoting comfort and well-being.

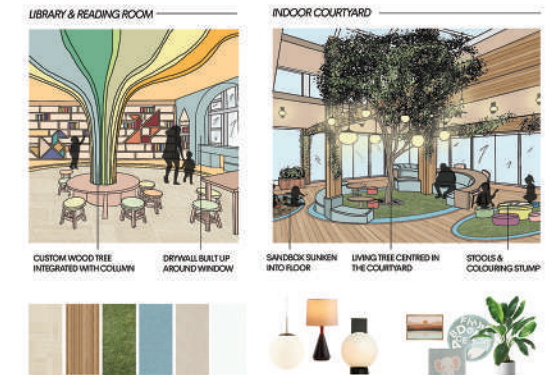

CHILDCARE & ONSITE SUPERVISION

- Daycare facilities provides parents the peace of mind, allowing them to focus on their tasks or participate in centre programs with confidence.
- Offers temporary care and attentive supervision for children, ensuring a safe and nurturing environment.
- Provides a convenient solution for parents seeking temporary childcare assistance within the centre's premises.

WELLNESS & STIMULATION

- Wellness and stimulation spaces offer a range of enriching activities for children, including access to educational and developmental tools.
- On the second floor, fundamental support services are provided for young adults, alongside a versatile multi-purpose space for workshops, events, and children's collections.
- Seamlessly integrated to foster holistic growth and community engagement.
